Job Creation What if?

Objective: 470 million jobs will be needed to absorb new entrants to the labour market before 2030. Create a current non-existent job of the future & show what it looks like. A job that doesn't exist yet.

Share With Us: www.Flipgrid.com/SDGs

Extensions:

- Figure out how much the pay should be for this new job and create an advertisement to attract new hires using your in-game camera for the media.
- Share your future job build demo online with the hashtags below and with @PlayCraftLearn / @BBTNB
