SDG 9 Build Challenge

**INDUSTRY, INNOVATION
& INFRASTRUCTURE**

Benjamin Kelly @BBTNB

BBTNB.COM/SDGSHUFFLE

Road To Success

Objective: In some African countries, infrastructure constraints cut businesses' productivity by about 40%. Build your idea for the future of transportation of goods and materials that could help these nations.

Share With Us: www.Flipgrid.com/SDGs

Extensions:

- Discuss if national and international transport require different solutions? Can one solution meet all needs? How do goods get to you?
- Share your builds and ideas online using the hashtags below and with @PlayCraftLearn / @BBTNB

#MinecraftEDU
#TeachSDGs
#SDGShuffle
